Congratulations to our Year 11 pupils on their impressive results

"We are absolutely delighted with the results our pupils have achieved. It is a credit to their hard work, resilience and dedication. We are all very proud of them. There are some brilliant results from pupils of all academic abilities. These results are also down to our inspirational staff who have supported our pupils to achieve as they have"

GCSE 2024 Results

A major strength of Holy Cross Catholic High School is our insistence on subject specialist teaching across all subjects and as this table demonstrates, we have performed exceptionally well. This year we have produced a superb set of GCSE results, achieving a Progress 8 score of +0.80. Progress 8 is based on pupils' performance in eight qualifications, including English and Mathematics. The average Progress 8 score of all secondary schools nationally is 0. A score of +0.5 or above shows that pupils in that school are achieving 'half a grade higher' in each qualification than other similar pupils nationally.
